Who are Brentwood Vineyard Church?

Brentwood Vineyard was adopted into the Vineyard in 2012, having previously been an independent church from 1987. Our vision is three fold: Be with Jesus; Be like Jesus; Do what Jesus did. At present we are a church of around 50 adults and 20 children and youth and part of the Vineyard Churches UK & I. There is a strong sense of community within the church family with people coming from different areas of Brentwood and its surroundings. We have our own building that was completely refurbished in 2017. It has a fully equipped kitchen, a large auditorium and a number of break out conference style rooms. Sunday Services take place 3 times a month, with the last Sunday called "Community Sunday" where folks are encouraged to build relationship with people outside the church. Some midweek groups (connect groups) meet in homes during the week. An organisation makes use of the building weekdays to support adults with learning disabilities and this benefits the finances of the church.

We have a desire to see people live a life of purpose and influence because of a relationship with Jesus. Brentwood Vineyard is a place that empowers people to lead and impact in every area and aspect of their life. It is full of passionate and dedicated individuals who together have a heart to serve. We have a friendly and relaxed atmosphere, whilst at the same time experiencing God's presence, in worship and ministry.
